Nawfel BENGHERBIA

nawfel.bgh@gmail.com

+33 7 65 73 92 46

Software engineer

2013 2014   2016 2017 2018   2022 2023

Node.js Application Developer certificate
nawfelbgh.github.io/links/jsnad.pdf

Software development engineer, SFEIR, Paris
(2021-01 to now)
- *LEASYS* subscriptions dashboard
- *BNP Paribas Cardif* API catalog website
- *Delfingen* sales dashboard
- *Sanofi* Accelrare website

`NextJs` `NodeJs` `Cloud` `Scrum`

Master - Programming & Reliable software `Valedictorian`
Institut Galilée - Université Paris 13

Software development intern, Artelys, Paris

`ReactJs` `Java` `Docker`

Software development engineer, Artelys, Paris
(2019-10 to 2021-12)
- *RATP* maintenance planning
- *SNCF* rail network simulation
- *Rubis Terminal* storage optimization dashboard
- *Artelys* Crystal Web platform & website

`SQL` `Wordpress` `PHP` `Mentoring juniors`

Publication of my 2016's work on combinatorial optimization
doi.org/10.1016/j.procs.2018.07.262

Google Digital marketing certificate
nawfelbgh.github.io/links/digimarketing.pdf

PHD student in image processing
Intern at CERIST labs, Algiers

`Python` `Deep learning` `Image recognition`

Coauthoring a scientific paper on image recognition
doi.org/10.1007/978-3-319-93647-5_13

EILTS English language test `C1`

`English`

Master & Engineer - Informatic Systems
École nationale Supérieure d'informatique, Algiers

Intern in combinatorial optimization & game theory
LMCS labs, Algeirs

`C++` `Qt` `Optimization` `Scientific writing`

TCF - Test of knowledge of French `C1`

`French`

Visio conferencing prototype application for the intranet
SONELGAZ, Médéa, Algeria

`NodeJs` `WebRTC`

Simulations of data structure algorithms
struct-animate.github.io
École nationale Supérieure d'informatique, Algiers

`JavaScript` `HTML5` `jQuery UI`
